

## PPE Crash Packs List

---

- There must be 2 crash packs available for each session.
- Each pack must be sealed and marked with contents list + expiry date for ease of checking.
- Contents marked in and out of pack to enable staff to identify equipment quickly in a very stressful situation.

### **Pack contents:**

- X3 Aprons.
  - X3 disposable visors
  - X3 Fluid Resistant Surgical Masks - IIR
  - X2 pairs of large gloves (sealed in a little sandwich bag or something and labelled "2 pairs gloves – large")
  - X3 pairs of medium gloves (sealed and labelled "3 pairs gloves – medium")
  - X2 pairs of small gloves (sealed and labelled "2 pairs gloves – small")
  - X1 Orange clinical waste bag
  - X1 small alcohol gel
  - X1 laminated sheet – Donning and doffing PPE Donning one side, doffing on the other - see attached)
-
